

Cookie Policy

Our website only uses the technical cookies necessary for its operation. Cookies are automatic data collection systems not directly released by the user that do not contain comprehensible information but allow the user to be associated with the personal information that he/she has released on the website. The cookies used by Quest website do not allow the collection of information, even in anonymous or aggregate format, but are exclusively those necessary for the operation of the site.

The use of technical cookies when using this website and its services is considered automatically accepted.

Cookies are small text files that can be used by websites to make a user's experience more efficient.

The law states that we can store cookies on your device if they are strictly necessary for the operation of this site. For all other types of cookies we need your permission.

This site uses different types of cookies. Some cookies are placed by third party services that appear on our pages.

Learn more about who we are, how you can contact us and how we process personal data in our [Privacy Policy](#).

Your consent applies to the following domains: www.questexecutive.it

Your actual status: use only necessary cookies.

Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.
